1977 Toyota Celica RA28 ST

Supplied new in 1977 by Neville Johnston Toyota in Belfast, this is a one-family-owned car from new and has only covered 38,000 miles with a service history and a folder full of receipts. The car has gone through a full nut and bolt restoration with no expense spared. It's painted in original colour, Vermillion Red 336 and has also been fitted with lots of new parts. All the interior is original and in immaculate condition. This is a future investment and 1 of the best MK1 Celica you will find.

Priced at £47,500
